Dear Maryjane

Thank you for contacting the Social Wellbeing Agency with your request for "any info on past applications for claim for reimbursement under section 70a".

The Social Wellbeing Agency provides advanced data analytics and insights for the social sector. We don't have a frontline role or provide services directly to New Zealanders. As a result, we don't hold any information about "past applications for reimbursement under section 70a".

It might be helpful to review the Government A-Z list to find the right agency to direct your request to. The A-Z is available at the following

link: <https://www.govt.nz/organisations/>.

I hope this information is helpful.

Yours sincerely
